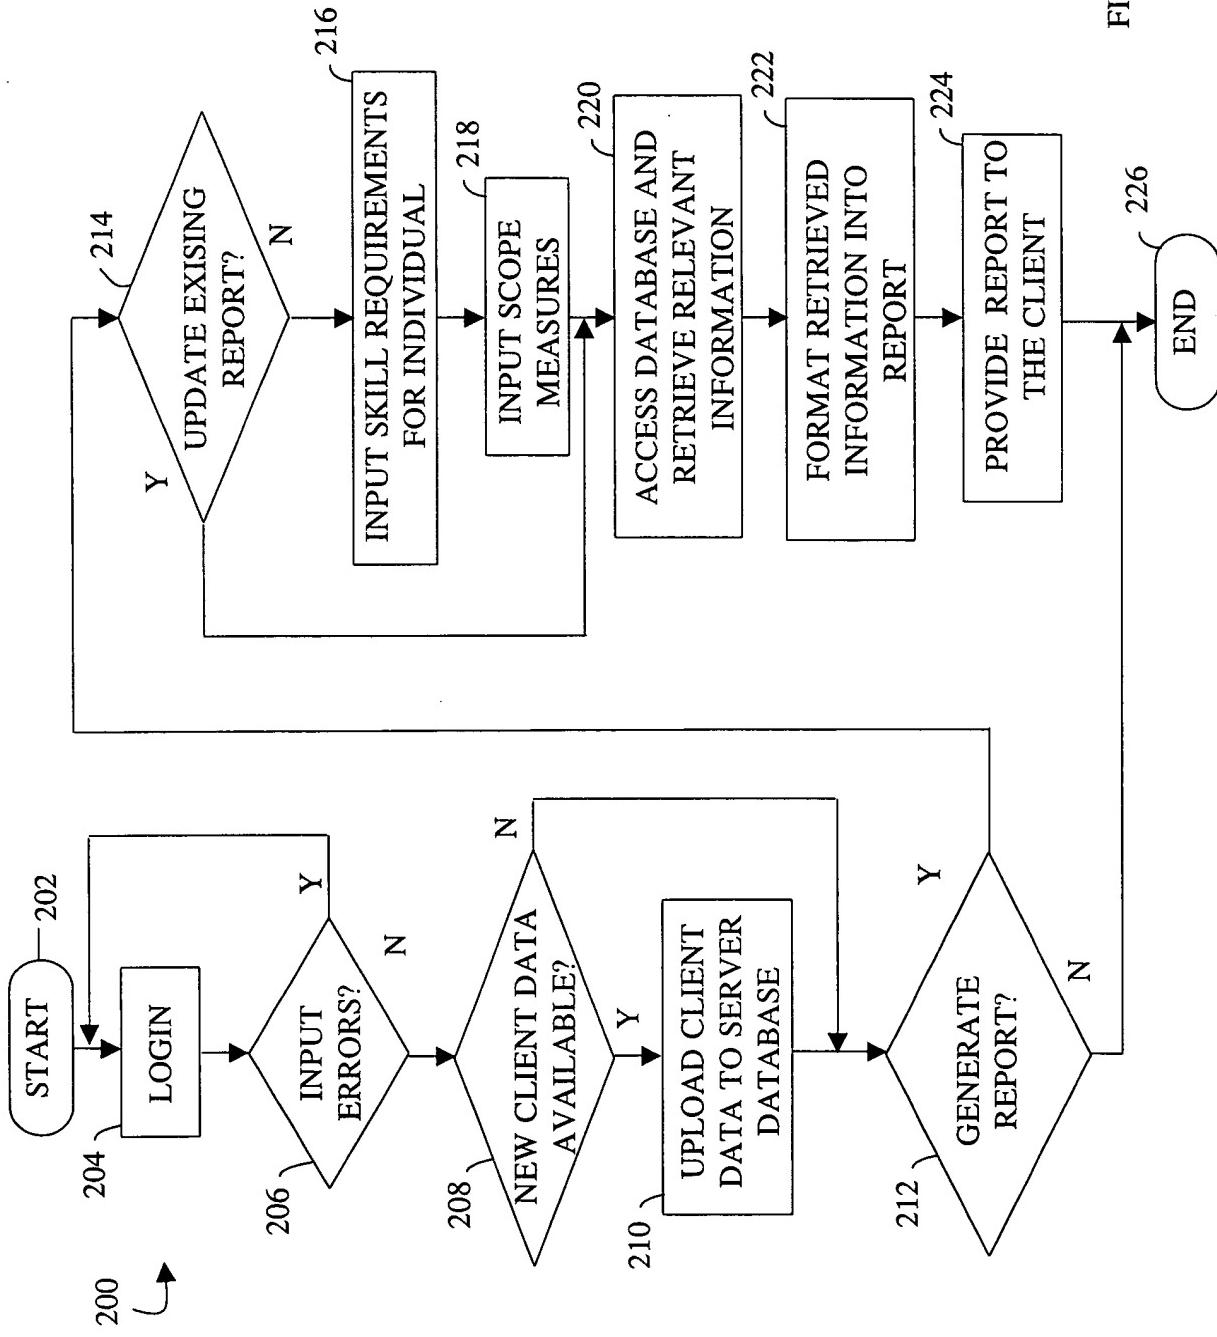

FIG. 2

Make a New Query

Name:	<input type="text" value="engineer"/>	<input type="button" value="Help"/>
Description:	<input type="text" value="associate engineer"/>	<input type="button" value="Help"/>
Area:	<input checked="" type="radio"/> All <input type="radio"/> Regional <input type="radio"/> State <input type="radio"/> Zip Codes	<input type="button" value="Change"/>
Industry Code:	<input type="text" value="All Industries"/>	<input type="button" value="Help"/>
Revenue:	<input type="text" value="All"/>	<input type="button" value="Help"/>
Employees:	<input type="text" value="All"/>	<input type="button" value="Help"/>
Profit Status:	<input type="radio"/> Profit <input type="radio"/> Non-Profit <input checked="" type="radio"/> Either	<input type="button" value="Help"/>
Skills and Responsibilities:	<input type="text" value="drafting, analog desing, digital design, asic design"/>	<input type="button" value="Help"/>
Education Level:	<input type="text" value="Bachelors Degree"/>	<input type="button" value="Help"/>
Analysis Type:	<input type="text" value="Professionals"/>	<input type="button" value="Help"/>
Disposition:		<input type="button" value="Help"/>

FIG. 3

Edit an Old Query

Name:	<input type="text" value="programmer"/>	<input type="checkbox"/> No one else may modify.	<input type="button" value="Help"/>					
Description:	<input type="text"/>		<input type="button" value="Help"/>					
Area:	<input checked="" type="radio"/> All	<input type="radio"/> Regional	<input type="radio"/> State	<input type="radio"/> Zip Codes	<input type="button" value="Change"/>			
Industry Code:	Professional, Scientific & Technical Services					<input type="button" value="Help"/>		
Revenue:	\$1M - \$5M					<input type="button" value="Help"/>		
Employees:	All					<input type="button" value="Help"/>		
Profit Status:	<input type="radio"/> Profit					<input type="radio"/> Non-Profit	<input type="radio"/> Either	<input type="button" value="Help"/>
Skills and Responsibilities:	programmer, c, visual basic					<input type="button" value="Help"/>		
Education Level:	Bachelors Degree					<input type="button" value="Help"/>		
Analysis Type:	Professionals					<input type="button" value="Help"/>		
Disposition:						<input type="button" value="Help"/>
